Do You.... Have Questions of Your Peers? Want Input on a Potential Program? Need Data for Your Board?

If you answered "Yes" to any of those questions, let us help!

As an FACP member, every Thursday morning brings you another opportunity to share (and later gather) feedback on topics relating to chamber management and operations. Your ideas and suggestions for survey topics are welcome (and needed!).

If you have a question or need information, chances are, one of your peers has the same question and would also benefit from the survey responses. Please [click here](#) to submit suggestions.
